An aerial photograph of Madrid, Spain, taken during the 'blue hour' of sunset. The sky is a mix of deep blues and purples. In the foreground, a large, ornate building with a dark, gilded dome is prominent. To the left, a tall, light-colored building with a spire stands out against the sky. The rest of the city is a dense collection of buildings with red-tiled roofs, stretching towards the horizon.

STRATEGIC
PARTNER IN
MADRID”

WHO WE ARE

Madrid International Events is a highly specialized agency dedicated exclusively to supporting international companies that choose Madrid to host their corporate events, meetings, and incentive programs. Our sole focus is delivering exceptional event experiences in the Spanish capital—because Madrid is what we know best.

WHAT WE DO

We support international companies in planning and coordinating all logistical aspects of their corporate events in Madrid. Our services cover both the full organization of hosted corporate events—including meetings, incentives, and conferences—and the coordination of group logistics for companies traveling to Madrid to attend third-party events and international congresses.

In both cases, we manage venues, hotels, transportation, activities, and on-site coordination, ensuring every operational detail is handled efficiently and seamlessly, whether you are hosting your own event or attending an existing one.

OUR FOCUS

Our work is defined by specialization. We do not operate in other cities, and we do not manage other types of events. We focus 100% on corporate events in Madrid—allowing us to offer deep local knowledge, trusted supplier relationships, and precise execution that generalist agencies cannot match.

We are not a creative or communications agency; we focus on what we do best: organizing and coordinating everything needed to deliver successful events.

A nighttime photograph of a city skyline. In the foreground, there are several multi-story residential or commercial buildings with lit windows. In the middle ground, a large, dome-shaped building with a glass facade is illuminated from within, showing multiple floors. To the right, three tall, modern skyscrapers are visible against the dark sky. The sky is a deep blue with some light clouds. The text "WE KNOW THE CITY. WE KNOW THE INDUSTRY" is overlaid in white, bold, sans-serif capital letters across the center of the image.

In the foreground, the rooftops and architectural details of buildings are visible, some with traditional Spanish-style tiles. A white rectangular box is centered over the image, containing text.

BEYOND LOCAL SPECIALIZATION

We have faced the same challenges our clients do. Our team has firsthand experience organizing corporate events and managing delegations in countries other than our own. We know the pressure of coordinating from a distance, the importance of clear communication, and the value of having a reliable local partner you can trust. This firsthand experience allows us to anticipate challenges, align with your expectations, and provide the level of support, clarity, and reassurance that international clients require when organizing events in Madrid.
